

Camping at Lonavala (17th & 18th Nov, 2016)

What could be better than spending two days breathing the fresh air in the pristine surrounding!

Our guides from STD IX & X were fortunate to explore the outdoor challenges & participated in a number of standard activities to earn their badges.

They also visited the NAB lion's home for the Aged as a social service activity under the captainship of ADC Ms. Chandramaiya & their guide captain Mrs. Sawant.
