

## TINY TOTS CELEBRATE DAHI HANDI

The tune of 'Govinda ala re' echoed in our school as toddler govindas played 'matkifod' on the eve of Kalashtami i.e. Wednesday, August 24, 2016.

When we teach them about any festival, they may not remember but when they take part in any event, it gets etched on their mind.

All our pre-primary children celebrated the birth of 'Lord Krishna' followed by breaking the 'handi' (only chocolates) which was tied 1.5m above the floor and standing on a small table, The balkrishnas broke the matki.
