

INDEPENDENCE DAY CELEBRATION & VRIKSH ROPAN

The Independence Day was celebrated on Saturday 15th August, 2015 in the school hall. The children of the secondary department through their speeches and patriotic songs prayed to sort out differences and become one. They depicted a brighter future through their small skit and saluted our motherland.

VAN MAHAUTSAV

Children were explained the importance of plants and trees in the environment. Saplings like aloevera, neem, lemongrass, lime, chillies etc. were planted in school to increase bio-diversity. Plants also generate oxygen thereby giving a clean, green and safe environment.
