

KIDS BIG BAZAR

As a follow up activity on the topic of Fruits and Vegetables, “A Market Day” for the Pre-Primary Department was set up on Thursday, August 27, 2015.

Here, we conceptualized a market scene with the help of Teachers and Parents.

Children and Parents alike shopped from the fruit seller as well as the Green Grocer and thoroughly enjoyed the activity.

This activity helped children to develop Language and Maths Skill.
