

Last Assembly for Std X

The Last Assembly was held in the School Hall for the students of std X on Thursday 29th January, 2015. The school years seem to have passed in flurry of activities, courses attended, grades attained, extra curricular activities, social events and lessons learnt.

Teachers and students shared their school experiences after presenting the mementoes to the children; the teachers lit the lamp of knowledge and passed it on to the students. The students presented the school Anthem for one last time.

The students were advised to undertake all challenges with a smiling face; adhere to all the values given to them by their parents and teachers. The message was 'Hard Work and Perseverance is the Mantra for Success'. They were asked to learn the secret of enthusiasm.

Miss Siddhi Gupta of std X bagged the title of 'MISS GAMADIA 2014-15'.
