

ACTIVITY – MOCK MARKET DAY

10 MARCH 2017

Pupils of STD II conducted a “MOCK MARKET” based on the topic “COINS AND CURRENCY NOTES” under the guidance of class teacher Ms. PEREIRA.

STD II and STD III sold products which included toys, vegetables, fruits, chocolates and biscuits, whereas pupils of STD II bought the products.

The Mock Market helped the teacher to impart the knowledge of currency and monetary transactions which helped children to imbibe various mathematical skills. This activity based learning (ABL) helped them learn “TRADE”
