

Au Revoir

A very fond farewell to Mrs. Susan Master- Our Pre-Primary teacher on Friday, June 30,2017.

There is a myriad of teachers, but to be a cut above one, needs to possess certain qualities such as 'ownership of job', ' never-say-no-attitude to any challenges' , 'a team player' & above all 'a good human being'.

All these qualities are present in Mrs. Master.

We wish her a very happy healthy & a peaceful retired life.
